Anti-wrinkle, Anti-acne, cure of UV damages & Hair loss prevention

Genistein

*Trade Name : Gen90 Nano

INCI Name : Genistein(and)Hydroxypropyl Cyclodextrin

Introduction

1) Genistein?

One of a kind of Isoflavone. Its safety and efficacies have been proven through extensive studies. It works as an Anti-wrinkle agent in cosmetics, as well as the cure for UV damages and inhibition of 5-a reductase.

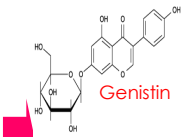

2) "Bioconversion"

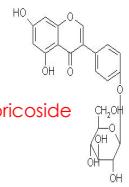

In most plants, Genistein exists as a 'glycosidic'(bound to sugar) type such as Genistin or Sophoricoside.

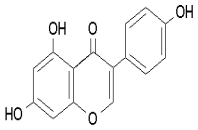

Since 'aglycone'(without sugar) type is much more active and permeable to skin than 'glycosidic' type.Macrocare Tech changed it to 'aglycone' type by applying "special enzyme technology"

Fruits of *Sophora japonica*

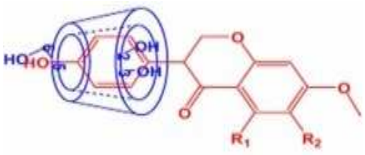

Skin permeable Genistein

Efficacy of "Gen90Nano"

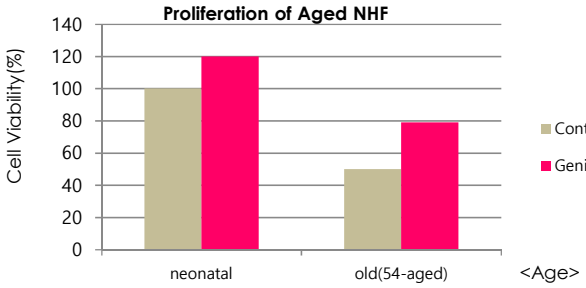

- Collagen synthesis & Anti-wrinkle
- Whitening & Curving of UV damage
- Anti-acne & Hair loss prevention, Anti-inflammation

- Enzyme treated skin permeable isoflavone
- Water soluble and clear appearance by the "Cyclodextrin inclusion technology" by Macrocare

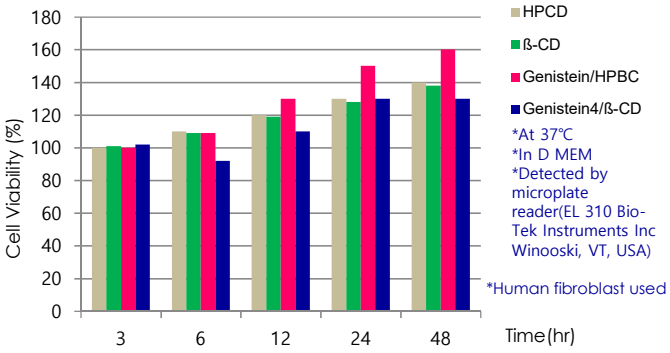

<Cyclodextrin inclusion complex>

1. Effect on Human Fibroblast

☞ After the Genistein treatment (10ug/ml, 3days), cell proliferation has been increased by 50%

2. Effect on cell viability "Gen90Nano"

☞ **A drastic increase in cell proliferation compare to the Genistein itself**

Commercialized Genistein Products

	Gen90Nano	Gen90S
Appearance	Powder (HPCD Inclusion)	Liquid (1,3 BG solution)
Color	Yellowish to brownish white	Pale yellow to brown
Genistein Content	5%	1%
Water solubility	Soluble	Easily Dispersible
Application	Clear appearance products	Overall products
